## WING (Pendant Two)

The Wing series is a timeless and playful experimentation. The series is composed of geometric forms. The Wing series stands out for its elegance and contemporary touch. Built on the principles of design, these are arrangements of linear arms, geometric light sources, reflective surfaces and balancing weights. The piece's arms rotate freely and delicately, creating an ever-changing light pattern unique to the space they occupy. The Wing series comprises Pendants, Wall Sconce, Desk Lamp and Floor Lamp.
