

LAMP SHAPER

DOT (Wall Sconce Small Brass Dome)

The dot series is inspired by linear earrings and this series is marvelous and simple. We have used geometry forms in this series, like cylinder, line and round shape and all shapes assemble with a linear line and create unique beautiful sculpture forms. We have used the old and modern technique in this series. We have created two structures of this series, a smaller one and another longer one.

LAMP SHAPER

PRODUCT SPECIFICATION
